

Bachelor of Behavioural Neuroscience Information Session

Monday 21 September, 7:00pm-8:30pm

Lecture Theatre M3, Building 13A

Program:

Associate Professor Nellie Georgiou-Karistianis, Course Convener, Bachelor of Behavioural Neuroscience, School of Psychology, Psychiatry and Psychological Medicine, Faculty of Medicine, Nursing and Health Sciences, Monash University, invites you to attend an Information Session to learn more about this exciting 3-year degree.

Come along if you are interested in *the workings of the brain, diseases of the brain* and *how the brain drives all of our behaviours*. Specific topics that will be covered on the evening include:

- What is Behavioural Neuroscience?
- The Bachelor of Behavioural Neuroscience
- Career Pathways
- Perspectives from Current Students

Registration (Essential) and enquiries to: rsvp.spppm@med.monash.edu.au
