

Is our Admissions process delivering what we want in our Medical Students?

We want to hear your ideas on our selection processes and the impact it has on the doctors we graduate. The Faculty of Medicine, Nursing and Health Sciences is undertaking a review of our selection processes. As part of this we are holding forums to seek feedback from key stakeholders.

We would like to invite you to attend a forum, chaired by the Dean, **Professor Steve Wesselingh**.

Those attending will include members of the Faculty, Students, Alumni and those involved in selection.
