**SUPPLEMENTARY INFORMATION FORM**

**Instructions:**

1. All applications must complete Parts 1, 2 and 3 of the Application Form.
2. Your response to Part 2 should be completed on a separate sheet of paper.
3. Your responses to Parts 1 and 3 must be completed on this form.
4. The questions noted in Part 1 allow you to demonstrate your understanding of medical ultrasound and/or radiation therapy and provided the Department of Medical Imaging and Radiation Sciences with information about your motivation and level of interest in the course you are applying for.
5. Relate your response to these questions to the stream you wish to study, ie medical ultrasound and/or radiation therapy.
6. Try to keep your responses to about 250 words per question.

*Victorian applicants*

If you are successful in meeting the academic requirements, submit your supplementary form and complete a clinical site visit, you will receive communication by the end of December 2012 inviting you to attend a Selection Interview on the **16 and 17 January 2013**. You will need to ensure that you are available to attend this interview in person.

*Interstate applicants*

If you are successful in meeting the academic requirements, submit your supplementary form and complete a clinical site visit, you will receive communication after the application closing date (1 March 2013) regarding an interview if you have been shortlisted. Please note that the interviews will take place in your home state, there is no requirement for you to come to Victoria for your interviews.

Please attach your Supplementary Information Form along with your Answers to your online application. If you are unable to do so, please mail it to the following address:

School of Biomedical Sciences  
Student Services Office  
Ground Floor, Building 77  
Monash University VIC 3800

**PART 1: CLINICAL CENTRE SITE VISIT**

It is RECOMMENDED to have completed a clinical site visit in your home state in order to be considered for an interview for the Master of Medical Radiations course.

Please provide the details of the site visit (s) that you have completed as part of your application:

Centre Attended:  
Date:

**Stream Selection:** Due to unforeseen circumstances the Medical Ultrasound stream will not be having an intake for 2012. The Radiation Therapy stream is unaffected and applications are still being accepted.

Disclaimer: There is no requirement for the Clinical Centre Site visit to take place in Victoria. Interstate applicants can organise a visit to a clinical centre in their home state. The clinical site visit is a recommendation that is designed to assist applicants in gaining a better appreciation and understanding of the profession. The Faculty of Medicine, Nursing and Health Sciences is not accountable for any expenses associated with the recommended clinical centre site visit.
PART 2: COMPULSORY QUESTIONS

1. Why have you applied for the Master of Medical Radiations?

2. Briefly discuss the stream that you find interesting and describe the role of the sonographer or radiation therapist in relation to this modality.

3. Sonographers and radiation therapists need to be able to work as a member of a team as well as take professional responsibility for the care of a patient undergoing an examination. Please provide personal examples of teamwork and leadership that demonstrate these abilities and comment on how these are relevant to the work of a sonographer or radiation therapist.

4. How would you describe your interpersonal skills when dealing with people? Please provide some personal examples.

5. Discuss any other information that you believe is relevant to your application, such as work experience in a clinical setting or professional development and how it may contribute to the role of a sonographer or radiation therapists (Maximum 200 words).

   Note: If you have answered this question, you are asked to attach documentation to support your statement.

PART 3: DECLARATION

The primary purpose for which this information is collected is for selection into the Master of Medical Radiations course. If you choose not to answer all the questions on this form, it may not be possible for the Department of Medical Imaging and Radiation Sciences to assess your application.

You have a right to access personal information that Monash University holds about you, subject to the any exceptions in relevant legislation. The University’s statement on privacy is available at www.privacy.monash.edu.au. Should you wish to seek access to your personal information or enquire about the handling of your personal information, please contact the University Privacy Officer on 9905 6011.

I declare that the information supplied on this form and the information given in support of my application is correct and complete. I acknowledge that the provision of incorrect information or the withholding of relevant information relating to my application may result in the withdrawal of an offer of a place in the course. I agree to abide by the statues and regulations of Monash University.
